**The Village Nominating Committee has selected
Trustee Candidates for the Glencoe Public Library**

The Village Nominating Committee of the Glencoe Caucus is pleased to announce that it has chosen the following candidates for the four upcoming Glencoe Public Library Trustee positions:

Craig G. Eisner	4-year term
Teresa Grosch	2-year term
Linda I. Lin	4-year term
Mabel C. Tung	4-year term

These people will be added to the slate of candidates which will be submitted to the upcoming biennial Caucus Town Meeting for approval in December.

The Glencoe Caucus provides a means whereby all registered voters of the Village may participate in the selection of well-qualified, experienced, and respected citizens as candidates for the elective offices of the Village, including the Village President, Village Board, Park Board, Library Board, and Board of Education.

The principles and policies of the Caucus Plan take into consideration the interests of the community in selecting the best available people for office, the desirability of giving all registered voters an equal opportunity to take part in the selections, and an endeavor to avoid unnecessary contests. Based on these principles, the Caucus functions in a non-partisan way, free from any individual or group control. All registered voters of the Village are encouraged to participate.
