

## **Village Board of Trustees – Glencoe Caucus Slate for the April 1, 2025 Consolidated Election**

### **President, Village of Glencoe**

#### **Howard J. Roin**

Howard J Roin has been slated for a 2nd term as Village Board President. As a 57year resident of Glencoe and a long time-active participant in Village governance, Mr. Roin is well versed in the Glencoe community and the issues our Village faces. Mr. Roin is committed to both maintaining the infrastructure as well as making needed improvements to help Glencoe continue to run smoothly. His background in litigation and law have helped Mr. Roin serve Glencoe well.

### **Trustee, Village of Glencoe**

#### **Dudley Onderdonk**

Dudley Onderdonk has been slated for a 2nd term as a Village Board Trustee. Mr. Onderdonk is a 21-year Glencoe Resident and has served in numerous capacities in local governance including 2 terms as Commissioner for the Parks Board (including one year as president), on Glencoe Plan Commission, and on the Glencoe Sustainability Task Force. Mr. Onderdonk's professional background as a Planning and Community Development Director has served Glencoe well. We are glad to have him back.

#### **Gary Ruben**

Gary Ruben is a 32 Year Glencoe Resident and Slated for 2nd term as a Village Board Trustee. Mr. Ruben is currently serving as the Board's Finance Chair. He has served 2 terms on the D35 school board including five years as that Board's president. Mr. Ruben's professional background as an attorney specializing in real estate and his interest in DEI have been an asset to our community

#### **Michael Rosenblat**

Michael Rosenblat is a 15yr Glencoe resident and slated for his first term on the Village Board. Mr. Rosenblat has had a distinguished military career, both as an officer and as an attorney with the military. He has also served as an Assistant Illinois Attorney General. Most recently, Mr. Rosenblat has his own law firm where he specializes in Whistleblower cases as well as other areas of the law. Rosenblat was active in discussion with the Village surrounding the development of the Hoover Estate subdivision.
